rintendent D. H. Christen-Announces Limits for Various Schools.

PECTS CONSIDERABLY INCREASED ATTENDANCE

ational Facilities Have een Greatly Improved Since Last Year.

Lake City's public schools will or the school year of 1909-1910 orning, with a considerably inattendance and with greatly ed facilities.

H. Christensen, superintendent schools, anticipates an increased nce of 500 pupils. The attend today probably will not exceed than 13,000, but Mr. Christensen s the attendance to reach 14,000 the and of the week and 16,000 be end of the year. It is likely that a children of school age will take nutage of the trancy law, which them a month or so of grace the is built, if they choose to ex-it, and they usually do so choose, ing out of school as long as they being compelled to attend mey law, and then attend-ly for the rest of the year emply with the law. In this rematerially boosting the at

has been an unusually large of applications for admission to gh school from non-taxpaying children living outside the city and the attendance at the high is expected to be unusually school pupils inside the city or inconveniencing them, the of board has established a tuiof for outside pupils of \$12 a or \$18 a year, and there is no mee then that outside pupils will imitted to the high school. They be admitted only if there is plenty
